Category Breakdown

CATEGORY	LINE ITEMS	UNITS
Infrastructure	16	2154
Hardware	17	1314
Fittings	92	5117
Total	125	8585

Whole lot: GBP 8,500 (ex-VAT) for the entire parcel — track infrastructure, fittings and architectural hardware together, sold as one lot. All supply is ex-VAT; UK supply is subject to VAT at the standard rate (20%) — e.g. lot total GBP 8,500 + GBP 1,700 VAT = GBP 10,200, reclaimable as input tax by VAT-registered buyers. Export sales (goods removed from the UK) may be zero-rated subject to valid evidence of export. A full VAT invoice carrying the VAT amount and seller VAT number (GB 506426996) is issued on sale. **Release status:** warehouse release formalities in progress — enquiries and collection planning welcome now; firm dispatch confirmed on release. Ex-warehouse Leicester, UK — buyer collects or arranges own freight; title and risk pass on dispatch.
